EDMONTON, February 1st, 1911.

To the Honourable

ARCHIBALD J. McLEAN, M.P.P.,
Provincial Secretary and Registrar of the Province of Alberta,
Edmonton, Alberta.

SIR,—I have the honour to submit the annual report of the Provincial Secretary's Department for the fiscal year ended December 31st, 1910, showing details of the various services rendered by the department during that period.

During the year three hundred certificates of incorporation were granted, with an aggregate capital stock of \$31,474,625.00, and in addition there were thirty-five supplementary certificates issued, twenty-two of which were to increase the capital stock of existing companies by the sum of \$4,692,000.00.

The following statement shows the number of companies incorporated under The Companies Ordinance since the inauguration of the Province, September 1st, 1905:

YEAR	NO. OF COMPANIES INCORPOR- ATED	AGGREGATE CAPITALIZATION
1905-6—Sixteen months.....	161	\$18,552,000.00
1907.....	198	22,166,950.00

1909.....	200	19,386,000.00
1910.....	300	31,474,625.00
Totals.....	996	\$103,497,525.00

The large increase in the number of companies incorporated last year as compared with any previous year is noteworthy, and is an index of the growth of the work of this branch of the department.

Under The Foreign Companies Ordinance eighty-five licenses were granted to foreign and extra-provincial corporations, having a total capital stock of \$86,922,000.00. There was a slight increase in the number of companies registered last year over those registered the previous year, the number being eighty for the year ended December 31st, 1909, and eighty-five for the past year.

As shown by the following table this is the largest number registered in any year since the institution of Alberta as a province and that each year there has been an increase:

YEAR	NO. OF COMPANIES REGISTERED	TOTAL CAPITALIZATION
1905-6—Sixteen months.....	60	\$52,405,000.00
1907.....	58	47,425,000.00
1908.....	43	31,312,000.00
1909.....	80	83,343,900.00
1910.....	85	78,922,000.00
Totals.....	326	\$293,407,900.00
